Dear Class of 2006,

It is a great honor to be a high school principal, and I am equally proud to have had the opportunity to work with the Class of 2006. Your youth and enthusiasm are contagious, and I want to thank you all for the hard work and leadership you have displayed during your time at East Stroudsburg High School North. You have made this school a wonderful place to learn and grow, and you have lead the way in creating a school spirit that has made us all proud. You are truly a GREAT class.

I would like to take this opportunity to thank all of the students, faculty, community members, business leaders, and administrators who have worked so hard to make this evening possible for the Class of 2006. I would like to extend a very special thank you to Mr. Richard Bryant, Mountain Laurel Center CEO, for his enormous support of the North High School.

Students, I wish you much success as you move through to the next place in your life. I hope you have fond memories of our High School to carry with you and share with your family and friends. This is indeed a remarkable transition into your adult life. No matter what pathway you choose, strive to make the world a better place to live. Please accept my most sincere congratulations and best wishes to you, the Class of 2006.

Sincerely,

Patricia Mulroy
Principal
